Mr. Francis S. Hawitt
Committee on Appropriations
United States Senate
Washington 25, D. C.

Dear Mr. Hawitt:

I wish to express my warmest appreciation to you for all your assistance in connection with the appropriations for the new CIA headquarters installation.

Colonel White and Walter Horzheimer have both told me how much they have had to intrude on your time and how unfailingly helpful you have been. I think the final language and the Committee report are in large measure a tribute to your patience and understanding of our problems.

With kindest regards.

Sincerely,

SWH
